2026 RELEASE FOR PUBLICATIONS

Throughout the Summer, Ojai Valley School staff members take photos of various events that take place both on and off campus.

These pictures will be shared with families through a private password protected photo sharing website. Beyond these internal publications, we also use pictures for social media and camp marketing.

I give permission to Ojai Valley to publish photographs or videos of my student in media, summer website or other media and marketing materials.

A parent may withhold permission for publication of a student's likeness in photographs and videos taken during camp specialty programs, activities and events. If you do not want your student's picture used for these external publications, please indicate below:

I do not give permission to Ojai Valley to publish photographs or videos of my student in media, summer website or other media and marketing materials.
