The following information is designed to help OVS Summer Camp, its teachers and staff ensure the safety of your Camper. Our main goal is to provide maximum safety for your camper. We would, therefore, suggest your camper be aware of your instructions.

The information you provide below will be available to our main office and our staff to ensure that only the pre-approved individuals may visit and/or remove your camper from Camp.

In order for OVS Summer Camp to provide safeguards for its program, it is imperative that we have specific instructions and information regarding who has permission to visit and/or remove your camper from campus. Please answer the following questions and provide court order documents where necessary.

Who is authorized to remove the Camper from Camp and/or give permission for the camper to leave the school? (For what reason and under what circumstances) *Persons not listed on this form will not be permitted to pick up your camper. Persons listed without explanation will have full authorization without written permission from Parent or Guardian.*

What are the visitation rights of the non-custodial parent? (How often and any special circumstances?) *Without current, signed, court documents we are unable to enforce visitation orders.*

Are there any other special instructions we need to have?
